

# Bar Tops

MASILVA USA  
THE PERFECT FIT FOR YOUR WINE

M. A. Silva offers the finest bar tops using our high quality natural cork material with wooden, plastic or custom tops as a reusable closure for fortified wine, spirits, olive oils and vinegars. This stopper provides an outstanding appearance, consistent sealing performance, and reusable convenience.

The standard size is 27 mm diameter cap, 8 mm thick with a 19.5 mm diameter natural cork stopper. Different grades and custom sizes are available.
